Progress for people and our planet

We’re always looking for ways to improve how we operate to reduce impact, and help our suppliers and partners do the same. Our corporate social responsibility focus starts with promoting safe, fair and respectful conditions across the chain. We set clear standards, report transparently and own outcomes, while enabling partners with practical education, tools and hands-on support.

Sustainability is built into our daily operations, not just materials. Aligned with ESG principles and evolving EU requirements, we’re making it easier to order with clarity and confidence. We also support suppliers in adopting requirements ahead of deadlines to elevate standards across the supply chain and build a transparent, accountable ecosystem.

Curated brands for any project

Our handpicked assortment of blank garments is ready to ship and ready to brand. From merchandise and trend pieces to workwear and uniforms, every product delivers reliable fit, feel and value that your customers will appreciate. With versatile styles at a range of different price points we offer something to meet the demands of any project.

Style & sustainability combined

Two new sweat collections with CiCLO® technology: premium quality, sustainable performance, and versatile styles.

Fruit of the Loom introduces two sustainable sweat lines for 2026: **Iconic Premium** and **Iconic 250**. Both feature smooth 100% combed cotton outers for perfect printability and integrate CiCLO® technology in the polyester blend—helping synthetic fibers biodegrade like natural ones without compromising durability.
Iconic Premium (300 gsm) offers substance, softness, and a refined finish for high-end decoration.
Iconic 250 (240 gsm) delivers lightweight comfort for year-round wear. With hoodies, crews, jog pants, and shorts in a wide color palette, these collections combine quality, sustainability, and value. Made in Morocco, OEKO-TEX® certified, and plastic-free packaging.
